# Mauthner Cells and Their Auditory Interactions

Proceedings of the Symposium  
'Interactions between the Auditory and Mauthner Cell Systems',  
Organized for the Third International Congress of Neuroethology,  
August 9-14, 1992, in Montreal, Quebec

.....  
Guest Editors

*Arthur N. Popper*, College Park, Md.

*Robert C. Eaton*, Boulder, Colo.

22 figures, 2 tables, 1995
