

In the article “Effects of Ulinastatin on Postoperative Renal Function in Patients Undergoing Cardiac Surgery with Cardiopulmonary Bypass: A Prospective Cohort Study with 10-Year Follow-Up” [Cardiorenal Med 2023;13(1):238–247. <https://doi.org/10.1159/000531403>] by Lv et al., the 6th author Jia Shi was incorrectly listed as corresponding author due to a publisher error. The correct corresponding author for this article is the last author, Hong Lv (lvhong@fuwai.com).

The original online article has been updated to reflect this.
