

Errata

In the article by W. C. LEYSHON entitled 'The Rh Gene Complex cD-Segregating in a Negro Family', published in *VOX SANGUINIS*, Vol. 13, No. 4 (1967), an unfortunate error occurred: On page 355, the sentence that ends with the words 'anti-f reacts with c in the absence of E and e' should have read 'anti-f reacts with the product of alleles that produce c but not E'.

In the article by CH. RITTNER entitled 'Inter- and Intra-Species Variations Within the Xh Antigen', published in *VOX SANGUINIS*, Vol. 13, No. 1 (1967), an unfortunate error occurred: On page 30 the results of the comparative tests should be summarized in the following table:

	Gorilla	M.speciosa	Cynop.niger	M.mulatta	M.nemestrina	M.fuscata
Man	∧	∧	∧	∧	∧	∧
Gorilla		∧	∧	∧	∧	∧
